Book Recommendations

This week, Ms Deyn recommends: **The Wee Free Men by Terry Pratchett**

Armed only with a frying pan and her common sense, Tiffany Aching, a young witch-to-be, is all that stands between the monsters of Fairyland and the warm, green Chalk country that is her home. Forced into Fairyland to seek her kidnapped brother, Tiffany allies herself with the Chalk's local Nac Mac Feegle - aka the Wee Free Men - a clan of sheep-stealing, sword-wielding, six-inch-high blue men who are as fierce as they are funny. Together they battle through an eerie and ever-shifting landscape, before ultimately confronting the Queen of the Elves, absolute ruler of a world in which reality intertwines with nightmare.

Students who are allocated to **Sports Mix** or **Science Club** please return your slips to Mrs Stortenbeker by Easter if you want to make a different choice.
