Celebrating Your Achievements, Reporting on Events and Promoting the Academy

We may also want to report on significant events which involve our pupils, such as visits from dignitaries. This will involve providing information about involvement in certain activities such as sports. Finally we may want to use photos to promote the College in newsletters, posters, videos or banners.

Paying for Meals

From September 2018 the Academy has a system for paying for meals which uses fingerprint recognition. The system works by taking an image of a fingerprint and turning it into a digital signature. The image of the fingerprint is turned into a mathematical algorithm and then discarded. It cannot be used to recreate the fingerprint. Further information is available on the College website.
