

Vision Statement

Our Vision is to create a stimulating, enjoyable and structured learning environment, where success is rewarded and all students and staff can thrive. We want students, staff, parents/carers and the entire Exmouth Community to be proud of their college; for students to make us their first choice for education and, for staff, their preferred place to work.

In order to achieve this, we will:

- offer a broad, inclusive curriculum which enriches students' education and provides them with the opportunity to discover, develop and achieve their potential, whether academic, sporting, cultural or aesthetic
- prepare all students for the next stage of their life
- provide a safe, secure, environment in which students develop consideration for others, self-discipline and positive relationships
- strive continuously to establish the best possible site and resources
- provide excellent teaching and learning from teachers and staff who relish the opportunity to work in our college, because they feel inspired, valued and supported to do the best they can for their students
- engage with parents and carers, using effective communication channels to ensure that they are well informed, able to support their child's education and have the means to raise any concerns they may have
- build and maintain links with the wider community to enable them to support the college across a range of activities.

Achievement for All
