Changing lives through food

HALFF has been entered into The People’s Projects – a joint ITV/ Big Lottery Fund Project – where the public get to vote for the project they want to receive funding. HALFF has applied to extend the current youth club sessions that we are running with Switch East Devon, and the cooking sessions we run in Axminster with Devon Young Carers, to a number of other towns in East Devon and South Somerset.

To find out more tune in to ITV at 6.15pm on Tuesday 21st March!

Some kids don’t have a hot meal cooked by a parent when they get home from school. They need to learn skills so that they can grow up healthily.

HALFF will run cookery sessions at youth clubs and young carers groups in Axminster, Exmouth, Seaton, Honiton, Crewkerne, Chard, Ottery St Mary and Sidmouth to teach young people how to cook healthily.

In order to get the funding to do this work, HALFF need the public to vote for them between 20th March— 3rd April. The voting costs nothing, just 5 minutes of your time.

Without lots of votes our work in Exmouth and Axminster will end and we won't be able to reach the children in other towns in East Devon and South Somerset who need our help.

Your vote could make the difference between getting £50,000 or not!
