

APPLICATION AND RECRUITMENT GUIDANCE NOTES

These notes have been put together to help you complete your application. Please read them carefully.

Application Form

- Applications will only be accepted from candidates completing the relevant Teaching or Non-Teaching Application Form in full. CV's will not be accepted.
- Your application is the first step in the process we use to choose employees. It plays an important part in deciding whether or not we invite you to the next stage of the process. Our decision on who to invite will be based on the information you give in your application.
- Make sure that you complete the form as fully as possible, failure to do so may mean we are unable to shortlist your application. We are unable to make assumptions about you or your abilities so please make sure that you give full details on your application. Ensure that a **full** employment history **including commencement and termination dates** is given.
- Please ensure that you provide referees to cover your **last 5 years** of employment or education, and any gaps (insert an extra sheet if necessary). Where referees are school based, we will normally request information from the Headteacher. We prefer to contact referees via email. Please ensure that up-to-date email addresses are provided.
- Testimonials/references will not be accepted unless the College has requested them.
- We believe in valuing diversity and are committed to equal opportunities. To make valuing diversity work, we need to monitor the effectiveness of our policies. This is why we ask you to complete the Equal Opportunities Monitoring form (the first page of the application form). Once received, we will separate it from your application and it will not form part of the selection process. If you are successful, the information will be transferred to our computerised personnel system. The information will be kept in strict confidence at all times.
- Application forms must be returned by 10am on the closing date. Late applications will generally not be considered and certainly not once short-listing has commenced.
- We are committed to providing the best possible care and education to our pupils and safeguarding and promoting the welfare of children and young people, and expect all staff to share this commitment. **ALL** school and college staff have a role to play in safeguarding children and have a responsibility to provide a safe environment in which children can learn. Accordingly, this post is exempt from the Rehabilitation of Offenders Act 1974 and you are required to declare information on any convictions, cautions, reprimands or final warnings, which would not be filtered in line with current guidance (see: [DBS filtering guide - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/db filtering-guide)). Therefore, if you have received a conviction or caution, which would not be filtered in line with current guidance, you must provide details in section 12 of the application form, including any convictions in a court of law outside of Great Britain and any prosecutions that you have pending. A criminal record will not necessarily be a bar to obtaining a position.
- Application forms will be passed to the interview panel for short-listing. Short-listing is a process whereby the information which you provide on your application form, is marked against the defined criteria as detailed in the person specification. The panel will consider the overall quality of the applications and invite those applicants that best meet the essential and desirable criteria to interview.
