### Executive Pay Report (2022-23 Financial Year)

In accordance with the Academy Trust Handbook the Trust publishes the number of employees whose benefits (gross pay, employer's pension contributions, taxable benefits, and termination payments) are more than £100k for the preceding accounting period. The requirement changed in 2021 to include employer's pension contributions in the report.

| 2022/23             | Number of employees |
|---------------------|---------------------|
| £100,001 - £110,000 | 1                   |
| £110,001 - £120,000 |                     |
| £120,001 - £130,000 |                     |
| £130,001 - £140,000 |                     |
| £140,001 - £150,000 |                     |
| £150,001 - £160,000 |                     |
| £160,001 - £170,000 |                     |
| £170,001 - £180,000 |                     |
| £180,001 - £190,000 | 1                   |
